## **MEDIA ADVISORY**

### **DISTRICT CONGRATULATES BOTTLED WATER LABEL ARTIST**

At today's Yorba Linda Water District Board Meeting, the District Congratulated Chloe Frank for winning this year's Bottled Water Label Contest. Frank, a third grader in Mrs. Valor's class at Linda Vista Elementary School, was presented with a proclamation from YLWD Board President, Phil Hawkins, honoring her for her "exemplary artistic talents."

Frank's artwork was selected amongst dozens of entries from elementary school students from throughout the District. The artwork is featured on the interior label of the District's bottled water that is typically donated by the District to various schools and charitable organizations.
