CA Fire Protection & Backflow (949) 770-5371	One Flow Backflow (714) 852-1213	

Notes:

- The account holder is responsible for ensuring that an AWWA certified contractor performs the testing and/or repair work on backflow devices and submits the final test report to the District.
- The Yorba Linda Water District (YLWD) will not be responsible for backflow test results that are misdirected or delayed by the account holder or hired contractor.
- The final test report can be attached and delivered via electronic format to: backflowreports@ylwd.com
